SYDNEY ST. PATRICK'S DAY (SSPD) ORGANISATION ACCESSIBILITY AND INCLUSION POLICY

Access and inclusion have been integral to the planning, design and delivery of SSPD Organisation festival and events. We are committed to continuing this.

We want to ensure that, as far as possible, the needs of people with a disability and more broadly of those with any kind of participation limitations are met so that everyone can use the festival or event space independently, equitably and with dignity.

WHEELCHAIR ACCESS

Accessible toilets and ramps are available throughout the festival event space. When we hold our events (eg. Fundraiser events) in particular venues, we follow the guidelines of the venue and ensure there are accessible entry points and facilities.

AMENITIES AND SERVICES

Accessible toilets

Wheelchair and ambulant accessible restroom facilities are available for patrons through the event space. Please follow all map guidelines or ask any of our friendly volunteers if you require directions.

First Aid

A dedicated first aid team is supplied at all festival events. First aid guidelines of any indoor venues are serviced by the venue itself.

Service animals/guide dogs

Accredited service animals are always welcome at the festival and event sites. We do ask that at all times the service animal is displaying their identification badge or medallion. If the service animal needs to be taken off site to relieve itself, notify one of our friendly volunteers who will direct you to the nearest area to do so.

CITY OF SYDNEY ACCESSIBILITY GUIDELINES

The SSPD Organisation keeps up to date with policies relating to accessibility and inclusion in the City of Sydney area for all our festivals and events. A copy of these guidelines can be found [here](#).
